

For the craft, you will need a paper plate, beans, macaroni, or rice, a hole punch, and yarn. You will also need crayons, markers, and scissors. (If you don't have a hole punch and yarn, you can use a stapler to close the edge of the plate.)

Instructions:

1. Fold plate in half
2. Punch holes around the edge of the plate around, the distance depends on the material you plan to place inside.
3. Color both sides of the plate
4. Cut yarn 2x the diameter of the plate
5. Lace the yarn through the holes, starting with the yarn being knotted or tied off with the first hole
6. Leave 2 holes left at the end to add filling
7. Add your filling
8. Finish lacing the yarn through the last 2 holes and knot or tied off preventing the plate from opening.
9. Shake your music maker and make beautiful music!
